### TEAM SUPPORT, INCLUDED WITH YOUR REGISTRATION:

- All the promotional materials you'll need to build your team (email templates, web copy, and fliers).
- A complimentary entry for your designated team leader and two additional entries for anyone you would like to assist the team leader.
- 24/7 participant support via our Help Center, ready and waiting to answer any and all questions related to the Challenge rules, gameplay, or technical matters.
- An online team scoreboard, allowing your leadership to see how everyone is doing day-to-day.
- An online communication feed for your participants to share, support, and encourage each other.
- An administration console that allows you to measure the daily and weekly engagement of your players, giving you critical information to help them stay motivated and engaged throughout the game.
- The ability to create sub-teams under your larger umbrella team so you can organize your community into smaller circles, building stronger connections across all players.
- Instructions on how to create a meaningful start to the Challenge (with a preliminary event, baseline testing, and self-assessments).
